

4/35 Marine Pde, The Entrance, NSW 2261

Sold - 18/03/2016

Unit 2  1  1 

FANTASTIC OCEAN VIEWS. NEW PRICE RANGE.

The owners want to sell. They have enjoyed owning this unit and now it is time for them to move on to other things. They will listen to all offers so now is the time to inspect and you will see for yourself the wonderful, close views, and the sounds of the waves. One person who inspected last week said the views were the best he has seen in The Entrance.

This two bedroom fully renovated unit will make a wonderful holiday property for you and your family. With two bedrooms, bifold doors onto the balcony facing the ocean, with a lock up garage and extra storage area, and being so close to the shops and restaurants, and surf club. Why not inspect now and see if this is your latest investment property, or maybe your first.

INSPECTIONS CAN BE ARRANGED AT MOST TIMES DURING BUSINESS HOURS AND ON SATURDAYS.
